#### FARM LANDS

**YOUR LAST OPPORTUNITY**—In Central Alberta and Saskatchewan are the best lands—open prairie lands for the plow, interspersed with trees, which afford excellent shelter for stock. Here grain growing, dairying and live stock raising are being carried on successfully. The country is ideal for mixed farming. The Canadian Pacific Railway is offering a large area of these fertile lands in Lloydminster and Battleford districts. This fertile land will become the home of thousands of prosperous farmers. On similar land See-greer Wheeler grows the world's prize wheat. Near Lloydminster the world's prize oats have been grown, and butter of the highest quality is made. A man can soon become independent on a farm in this district. These lands can be bought now at prices averaging about \$10.00 an acre. You pay 10 per cent. if you are purchasing under settlement conditions, no further payment of principal until end of fourth year, then six per cent annual interest is 6 per cent. M. E. THORNTON, Supt. of Colonization, Canadian Pacific Railway, 308 First Street, S. Calgary, Alberta.
